FAQ

Do I need to re-enroll for this benefit every year?

No. Once enrolled, the policy will renew automatically each year.

How can I make changes to my policy?

You can make changes to your policy during your policy renewal period. All changes are subject to underwriting approval.

When is the policy renewal period?

The renewal period starts 60 days before the policy's current 12-month term expires. The policy's effective date and expiration date can be found on the Declarations Page, which is included with the policy packet that is mailed to you at each new term.

What happens to my pet insurance policy if I am no longer with the company?

If you pay policy premiums via direct bill, no action is required and the policy will automatically remain active. However, the premium may change at policy renewal, as group preferred pricing may no longer apply.

If you pay policy premiums via payroll deductions, you will be notified and asked to update billing information in order to keep the policy active.

Will pre-existing conditions be covered?

Unfortunately, no. Like all pet insurers, we don't cover pre-existing conditions on any of our plans.

Can I still use my vet?

Absolutely. You're free to visit any licensed veterinarian, anywhere in the world—even specialists and emergency providers.

If I have a pet other than a dog or cat, can I enroll?

Yes! If you want coverage for your bird, rabbit, reptile or other exotic pet, you'll find it only with Nationwide. To enroll in the Avian & Exotic Pet Plan, please call 877-738-7874.
