<p>What is not included in</p>	<p>Caregiver contributions, balance-</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>

Important Questions	Answers	Why This Matters:
the out-of-pocket limit ?	billing charges, and health care this plan doesn't cover.	
Will you pay less if you use a network provider ?	Yes. For a list of network providers click SPN Provider Directory or call 1.877.275.0076 or 364.8432 locally.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the network specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies, unless stated otherwise.
